COLLEGE OF PHARMACY

The College of Pharmacy is dedicated to excellence in pharmaceutical education, research, and professional training. Our programs are designed to equip students with in-depth knowledge of drug development, clinical practices, and healthcare sciences, preparing them for successful careers in the pharmaceutical industry, research organizations, hospitals, and regulatory bodies.

Pharmacy: D. Pharm, B. Pharm, M. Pharm
(Pharmaceutics, Pharmacology, Pharmaceutical Chemistry),
Pharm D. (Doctor of Pharmacy)

COLLEGE OF ENGINEERING

The College of Engineering offers **B.Tech** and **Diploma** programs in Engineering fields such as **Computer Science, AI & Machine Learning, Civil, Mechanical, and Electrical Engineering**. JIT equips students with strong technical knowledge, hands-on skills, and industry ready exposure to build successful engineering careers.

COLLEGE OF ARTS & COMMERCE

This course offers a range of studies across the humanities, social science and language disciplines. There are various language subjects but in our institute there are 3 core language subjects (URDU, ENGLISH and HINDI) in which a candidate needs to choose only one and other subjects are ANCIENT HISTORY, POLITICAL SCIENCE, EDUCATION, SOCIOLOGY etc.

COLLEGE OF BUSINESS

Postgraduate courses are advanced academic programs that students can pursue after completing a bachelor's degree. These courses typically focus on a specific area of study, allowing students to develop specialized knowledge and skills in their chosen field. Examples include master's degrees, PhDs, and professional degrees in fields such as business, law, medicine, and engineering.

MBA - HR, Marketing, International Business,
Finance & Information Technology
